HOW TO APPLY

Online Application System

www.inspiredcanadianlearning.com

During the summer, we offer English classes in Canada that combine perfectly with a summer expedition program.

Our English classes are truly English speaking classes, which means you'll focus on developing communication skills, asked to speak often in class, foster valuable Canadian experiences and leave Canada with an improved confidence in speaking English.

Please prepare and collect all the necessary information and documents before you start the online application. You will need the student applicant's complete information and at least one parent's complete information. This includes full legal names, birth-dates, addresses, schooling information, etc.

-Inspired Canadian Learning Expedition will only accept complete applications via our online application system.

-Part-A application fee is \$250 USD and is non-refundable.

-Inspired Canadian Learning Expedition Finance Department will email an invoice and bank transfer information to you after receiving the completed Part-A application information.

-Incomplete or unpaid student applications will not be processed.
